"Evo" and "Evo Health" means Fabric Labs, Inc. and provides technology used by independent physician and therapist practices. Evo offers medical and talk therapy services via telehealth to patients nationwide. Telehealth services may vary by state. Telehealth services are provided in accordance with state law by licensed health care professionals, subject to the licensed professionals' judgment. When medically necessary, Evo providers may prescribe medication that can be picked up at a local pharmacy of the patient's choice; Evo does not guarantee that a prescription will be written. Evo providers do not prescribe controlled substances. Evo is not a pharmacy or an insurance product. Virtual Urgent Care visits are not a replacement for a primary care physician.
