A Helpful Call From TrueScripts May Be Coming Your Way

Your pharmacy benefits include support from the TrueScripts Member Care Team. From time to time, one of our Member Care Advocates may reach out to you about your medications—especially when we spot opportunities to help you:

- Save money on prescriptions
- Access lower-cost alternatives
- Resolve pharmacy or coverage issues
- Ensure you receive your medication on time

These calls are always meant to help you, and our advocates will never ask for financial information beyond what's needed to assist with your prescription benefits.
