*A $40 processing fee may apply. The Premier Edge Promise is not an insurance plan. The program provides additional warranty protection for accidental breakage, unexpected prescription change and frame style change only on VSP covered services and cannot be used to replace lost or stolen glasses. Lens and frame replacement is based on the professional judgment of the VSP network doctor. To qualify for the Premier Edge Promise you must purchase an eligible featured frame from a practice location participating in Premier Edge. The Premier Edge Promise is available for one year from the original date of purchase of an eligible featured frame brand for breakage, one additional WellVision Exam with replacement lenses, if needed, one year from the original exam date of service for prescription changes and one style change 100 days from the date of purchase for a frame style change. For breakage, if the original frame is not available, another featured frame brand of similar style and cost may be used. Check with your doctor's office on which brands and styles are currently available. Additional lens enhancements not on the original order may be added at special eyewear guarantee pricing. VSP reserves the right to change or cancel this program at any time without notice. Premier Edge is intended to help VSP members maximize their vision care benefits and its banner is not meant as a designation of care quality as all of our doctors meet high-quality standards of VSP for professional services. The doctor's information, participation in Premier Edge and featured frame brands are subject to change.
